2. Locations

Spectators and EYOC Tour participants should park their vehicles only in the allowed parking places, set up by the organizers. For the Long distance, because the road to Miikovtsi is narrow, it is not allowed for EYOC Tour or Spectators to arrive to the parking and the arena before 10:00h.

For the sprint distance EYOC Tour participants should park in the city center on public free or paid parking areas. ([check the interactive map](#)).

Sprint

Scale – 1:4000, e-2.5m, according to ISSOM

Moderately steep urban and fortress terrain. Lots of small paved roads, narrow stairs and walls. 70 % of the map covers the fortress.

Symbol 708 will be used for narrow passageways in a space with many stone walls and forbidden access. This passage will be marked with white-red tape on the terrain.

Competitors must cross this area only on the marked places on the map. Running on walls is strictly forbidden. It is only allowed to jump over walls marked with Symbol 519.

The ground in the fortress is very uneven and most of the paths and alleys are paved with cobble stones.

On the terrain there are lights built specially for the famous Sound and Light show at the fortress. These lights will not be marked on the map. There won't be any control points on these objects.

Long distance Final

Format	Long distance
Start interval	2 minutes

Long map

Scale – 1:10000, e-5m, according to ISOM 2017

Marked route from Quarantine to Pre-start gate (1200m).

Moderately steep terrain with lots of microforms – summits, valleys and terraces. At some places there are some boulders, stony grounds and rocky formations. Vegetation is mostly deciduous, varies in all categories. The greater part of the area (80%) is of good runnability and visibility with paths of all categories.

In some areas there are many trees of varying nature which are not marked on the map as a distinct tree. There won't be control points on these distinct trees.

There are some old wide paths that are not used. **Symbol № 508.000 and 508.004** is used to mark them on the map.

Most of the terrain is covered with stony ground.

On the map Symbol 419 (Prominent vegetation feature) is not used.

There will be three refreshment points for the Long distance for all classes. They are placed on common routes. Water will be provided. Personal drinks will not be allowed.

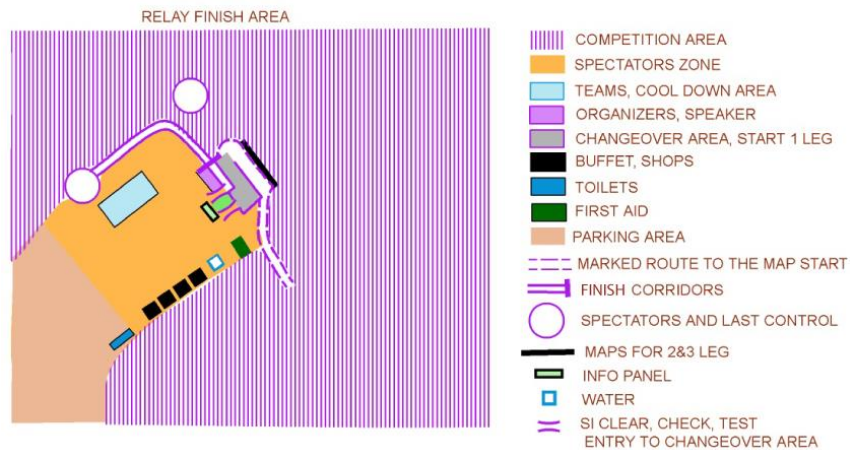

Only for Men 18 – there will be a map change on the course. (e.g. first map ends with control 8. The second map has the triangle at the position of control point number 8. Course continues with control point 9). At the map change runners punch the control point and leave the first map, and take the second map from an official.
