Event Director – Todor Pedev

Technical director – Konstantin Koynov

Secretary General – Grigor Karaivanov

Mapper – Georgi Kartalov

Course Planners – Ivan Sirakov

IOF SEA – Nermin Fenmen

National Controller – Vladimir Atanasov

IOF Representative – Maria Silvia Viti

Jury members

Damir Gobec – Croatia

Itay Manor – Israel

Vitalijus Paulauskas – Lithuania

- Sprint Quarantine – by entering the bus. Number Bib, Accreditation, SI Air + will be checked.
- Warm up, shelter, water, toilets, bag drop off marked route to Pre-start gate, no warm up map
- Distances – in Bulletin 4.
- Coaches cannot enter the pre-start area.

Check station activates the SI AIR + mode.

And the finish line deactivates them

All competitors even those who didn't finish the course have to pass the finish line.

Sprint map

Some passages are not allowed

Some passages which ARE allowed have been shown with)(for easier visibility and are taped in the terrain.

Some areas (construction, or may be dangerous) -> blue tape

- No spikes! No orienteering shoes with metal dobbed spikes.
- Jumping over a wall marked with the “passable wall” symbol in ISSOM - **OK**
- Running on the top of walls is **NOT ALLOWED** and is reason for disqualification

Final reminders

Please do not enter your hotels with muddy feet.

Questions from email

Send your questions at most 30 minutes before the TOMs to info@eyoc2018.eu

Any other questions?

How big is the warm-up zone / cool down zone? – Warm-up -500x200m, cool down – even bigger

Warm up map? - no

- In case of rain : is it enough space inside in quarantine? In the arena? – Yes, there will be enough space and shelters, indoor zone
- Special symbols (black cross/ black circle) : are there any on the map? if yes, what is it ? – Black circle is not used. Black cross is all types of man-made objects, not important for navigation/orienteering
- Is the new control description symbol “flower bed – olive green” used? – no, it is not used.
- - is it allowed to go back to the hotels before the race is ended. – no, competitors and officials wait for the flower ceremony
- - Are the 2 colours of taping used for sprint ? Do you use the sign “do not pass” together with a tape or not? – Yes, both colours are used, “do not pass” sign is not used with tapes. (as shown in the slide)
- How big is the sign “do not pass” ? – A4 printed sign mounted on a wooden trestle

- How far through the courses is the spectator control? – **you will see**
- When is GPS unit distributed - at entry to pre-start? – **yes, at pre-start gate, gps vest at quarantine**
- Map segment in Bulletin 4 has changed from previous map segments to olive green OOB - will this be obvious/marked on the ground? – **yes, with blue tape**
- Change to passable/impassable walls marked in any way? – **yes, impassable part - with blue tape**

- Will be there any artificial fences or obstacles on the terrain and if yes, how they will look like? – **no artificial fences or obstacles**
- If a runner is late for the start, how will be the procedure in such a case? – **according to IOF rules**
- If a runner crosses an area marked with blue tape, will they be disqualified – **yes**
- Are the coaches included in the number of the buses? – **yes**
- What time is lunch for long distance? – **1pm**
